

## How to Register and Succeed as an NOCE Student

Requirements to enter an NOCE program of study vary from program to program and may include orientation, assessment, and counseling. Check the latest NOCE class schedule or catalog online for specific program requirements. Visit [www.noce.edu/registration](http://www.noce.edu/registration) or an NOCE Center to complete these three easy steps to register:

1. Apply for an NOCE Banner ID
2. If needed, complete online orientation and attend assessment
3. Register for class(es)!

### Tips for Student Success:

1. Attend class every session to make progress and complete your goals
2. Visit an academic counselor to assist you with an educational plan, transitioning to college, or preparing for a job

# ABOUT NOCE

A member of the North Orange County Community College District, which also includes Cypress College and Fullerton College, North Orange Continuing Education (NOCE) has been cultivating change since 1973 with educational programs and services from high school completion, English-language acquisition, career technical education training, and self-development courses. NOCE serves nearly 30,000 students annually, ranging from preschoolers to seniors, at three Center locations in Anaheim, Cypress, and Fullerton (Wilshire) as well as more than 100 community locations. NOCE is accredited by the Accrediting Commission for Schools, Western Association of Schools and Colleges. Part of the California Community Colleges, all NOCE courses are approved by the State of California.

# Instructional Programs

**Gain the skills to achieve your academic, career, and life goals**

**NOCE**  
**NORTH ORANGE**  
CONTINUING EDUCATION

[www.noce.edu](http://www.noce.edu)

## Why Enroll in Continuing Education?

Courses at North Orange Continuing Education (NOCE) are noncredit (not eligible for college credit) but can help students to:

- Obtain a high school diploma or prepare for the GED/HiSET exam
- Train for a new job or promotion
- Enhance skills to prepare for college
- Build self-sufficiency and independence
- Improve health and wellness
- Unleash creativity

## The NOCE Advantage

NOCE courses are:

- Affordable (low to no cost, state-supported via student attendance)
- Taught by quality instructors and staff who are passionate about student success
- Short-term to help students transition to the next level
- Designed for all ages (1 – 100+)
- Available all year, offering both day and evening hours
- Located at three NOCE Centers in Anaheim, Cypress, and Fullerton and over 100 community partner locations including community centers, senior centers, K-12 schools, churches, and more!

NOCE **empowers** community members to seek **pathways to opportunities**. With **accessible and flexible** programs, NOCE celebrates the **diversity and dignity** of each and every student on their educational journey. As a **responsive and innovative leader**, NOCE provides students the educational options needed to gain employment, transition to college, or participate in the community as independent and prepared citizens.

# Continue Your Education

## Earn a High School Diploma or Career Certificate

At NOCE, students who are 18 years and older can continue their education and complete their goals through many of our programs:

- High School Diploma or GED/HiSET
- Administrative Assistant Certificate
- Early Childhood Education Certificate
- Electrical Trainee Certificate
- Fundamental Computer Concepts and Skills Certificate
- Funeral Service Assistant Certificate
- Graphic Design and Web Skills Certificate
- Management Certificate
- Medical Assistant Certificate
- Office Application Essentials Certificate
- Pharmacy Technician Certificate
- Quality Assurance Management for Medical Devices Certificate

## Transition to College or Strengthen Your Skills for a Promotion

NOCE students who want to gain a competitive edge in the job market or continue their education at a community college or university can enroll in courses to strengthen their skills:

- Computer operation and software programs
- English and communication: public speaking, effective presentations
- English as a Second Language Program: academic success
- Transitioning to College course
- NOCE Learning Centers: tutoring

## Build Self-Sufficiency and Independence

Empowering students with the skills needed to be confident in living a self-sufficient and independent life is one of NOCE's core values:

- English as a Second Language Program
- Disability Support Services: independent living skills, college preparation, job skill development and coaching, mobility, community resources, advocacy
- United States Citizenship Program
- Parenting Program
- Older Adults Program: brain health, balance and mobility

## Get Fit or Tap into Creativity

NOCE students can improve their health and wellness or start a new creative hobby:

- Aerobics, tai chi, yoga, zumba
- Dance: hip hop, salsa, swing, tango
- Drawing, painting, ceramics
- Martial Arts: judo, karate, self-defense
- Music
- Sewing, knitting, quilting
- Photography

## Year-round Classes for Kids and Teens

Kids and teens can also strengthen skills, explore new talents, and get active with sports. Classes are held after school and on Saturdays throughout the year for children ages 1-17 with additional camps offered in the summer:

- Academics: math, reading, writing, science, study skills
- Personal Enrichment: art, computers, cooking, foreign language, music, drama
- Sports and Activities: baseball, soccer, basketball, water polo, swimming, dance, gymnastics, martial arts, tennis

## Student Success Spotlight

**Meet Miguel:**  
High School Diploma Achiever

"As a child, I underwent brain surgery to have a tumor removed. Although I survived the surgery, I had to re-learn many daily tasks. With guidance from my instructors and Disability Support Services, I earned my high school diploma. Today, I am preparing to go to college." – *Miguel Mendez, High School Diploma Program Graduate*

**Meet Samar:**  
English Language Learner

"When I moved from Sudan to the United States with a background in law enforcement, I began taking English classes to get a job. NOCE's English as a Second Language Program helped me gain the skills and confidence I needed to earn a part-time position with Campus Safety at Cypress College. I will continue my college education to advance my career." – *Samar Abasher, English as a Second Language Program*

**Meet Ana Yely:**  
Career Certificate Earner

"At the age of 16, I became a single mother. Juggling work, school, and caring for my daughter was difficult, but the support and motivation I felt from NOCE's faculty and staff pushed me to earn my high school diploma and enroll in NOCE's Medical Assistant Certificate Program. I completed the program in less than one year and was offered a medical assistant position at a local health clinic. My goal is to continue my education at Cypress College to become a registered nurse." – *Ana Yely Cortez, Medical Assistant Certificate Program Graduate*
